## Book File Details:

*Review: Many of us charged with leading teams are expected to take the role of scapegoat for team performance. While most of us agree that the team leader does contribute (critically) to the teams success, each individual member can and does impact the teams performance. This book provides a validation that individuals impact teams and goes further to...*

*Description: Knowing how to work effectively in and through groups may be the single most important skill anyone can develop in todays collaborative, team-based workplace. Unfortunately, all of the resources available on teamwork put the emphasis on group process and ignore the role of-and benefits to-the individual. But effective teamwork isnt only a group skill...*
